

**Adopt a ship**

**Science/Geography**

**Aims:**

- Adopt a ship and record factual information about the ship.
- Trace the ships route and plot these on a map.
- Read and record important information from the Captain's report each day.

<b>Name of ship</b>	
<b>Meaning of Prefix</b>	
<b>Type of ship</b>	
<b>Use of ship</b>	
<b>Number of crew</b>	
<b>Length</b>	
<b>Width</b>	
<b>Size of engine</b>	
<b>Speed of travel in knots</b>	
<b>Colour of ship</b>	

**Record the date of each observation, its location and interesting findings from the Captain's report.**

<b>Date</b>	<b>Location</b>	<b>Captain's report</b>
